In the absence of definite figures to show the attendance in the existing schools, it is difficult to say if there is any real chance of good attendance being secured for the additional Upper Secondary Schools proposed to be opened. It would be a mistake to open a School if the present Students are kept for the coming. On this point further enquiries may be necessary.

involving considerable extra expense, however useful they maybe. should be postponed. The fate of the Sandal revenue must be known, & the level at which the Excise revenue will stand after the large cooly colonies appertaining to the large Railway & irrigation works have dispersed must be ascertained, before increase of recurring expenditure, largely beyond the triennial forecast accepted by Govt. can be safely sanctioned. Considerable loss to the State owing to fall in the market value of securities has to be apprehended. Altogether, the financial situation is not free from anxiety & I strongly advise the holding up of optional schemes involving additional expenditure until the financial fog has cleared and we can see our way clearly ahead

Submitted to His Highness.

Two Kannada Upper Secondary Schools at Davangere and Nanjangud were ordered to be opened in Government Order No.7086-7/Edn.251-12-2 dated 5th March 1913. A graduate Head Master on Rs.50 and two Pandits on Rs.25 each per mensem were sanctioned for the school at each of the two places.

2. With a view to create greater facilities for higher vernacular instruction and to secure qualified teachers for village schools, the Inspector General of Education has submitted proposals to open three more Upper Secondary Schools at Dodballapur, Hole-Narasipur and Tirthahalli by strengthening each of the Anglo Vernacular Schools at these places by the addition of a Head Master on Rs.50-4-70 and two Pandits on Rs.30 and Rs.25. He has also recommended the revision of the scales of pay in the schools at Davangere and Nanjangud in the same manner.

3. The Council is of opinion that the three Upper Secondary Schools may be opened for three years. The Financial Secretary while acquiescing in the resolution of the Council says that as no provision has been included for the purpose in the budget of 1915-1916, the additional cost involved, viz., Rs.4,700 may be met by reappropriation of the grants in the Education Budget of 1915-1916.

4. The draft Government Order may be graciously approved.

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

18273
----- Eno. 2
No. 836

Bangalore, 8th May *1915.*

From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

In continuation of my letter No.17730/809 dated 28th April 1915 requesting that Government may be pleased to provide in the next year's budget a lumpsum of Rs.4,700 for the opening of 3 Upper Secondary Schools, I have the honour to submit detailed proposals in the matter.

In the interest of Primary Education it is very desirable to increase the numbers of Upper Secondary schools so that men with higher general culture may be available for employment in Elementary Schools. Now that Government have sanctioned the revision of the scales of pay of masters of Village Elementary and other schools, it is possible to secure better qualified men for village schools only if greater facilities for higher vernacular instruction are created. I accordingly propose for the present the opening of three Upper Secondary schools, with effect from 1st July 1915, one at Dodballapur in the Bangalore District, one at Hole-Narsipur in the Hassan District and one at Thirthahalli in the Shimoga District. These places contain large and flourishing Anglo-Vernacular Schools and it is expected that large numbers of students will join the Upper Secondary classes

classes when they are opened.

As regards the cost, I may state that no further outlay is required for the present than the strengthening of each of the Anglo-Vernacular Schools in the respective places by the addition of a Head Master in the grade Rs.50-4-70, one Pandit on Rs.30, and another Pandit on Rs.25, for Sanskrit and Kannada. The total average cost for each school comes to Rs.118 1/3 per mensem or Rs.1,420 per annum. The expenditure on the 3 schools therefore amounts to Rs.4,260 per annum.

2. Again, the scales of pay fixed for the existing Upper Secondary Schools at Nanjangud and Davangere also require to be revised, so as to place them on a par with the proposed schools. The present establishment of each of the two existing schools consists of a Head Master on Rs.50 and 2 Pandits, 1 for Sanskrit and 1 for Kannada, each on Rs.25, total Rs.100 per mensem or Rs.1,200 a year. As this scale is too low for a school of the Upper Secondary standard, and as generally science graduates are needed as Head Masters, I recommend that Government may be pleased to sanction the revised scale for these schools also, namely, 1 Head master in the grade Rs.50-4-70 and 2 Pandits, 1 on Rs.30 and another on Rs.25. The increase on account of this revision amounts to Rs.36 2/3 per mensem for the two schools or Rs.440 a year. The required proposition statement is attached hereto.

3 A statement of cost that is to be incurred by Government on account of these proposals amounting in all to Rs.4,700 per annum is enclosed.

I request the favour of early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

H. Sharada Rao

INSPECTOR GENERAL.
